

55+ Volunteer Leadership Program (55VLP)

A free 6-week leadership experience
for adults ages 55 and older.

55VLP is coordinated by Cecil County Department of
Community Services, an AmeriCorps Seniors grantee.

Who's best at tackling community issues? Maybe you are.

We believe in the power of our community's 55+ adult population...they are resourceful, compassionate, and eager to serve.

55VLP offers adults ages 55 and older a chance to learn about local issues and then find ways to respond. 55VLP workshops are conducted Thursday mornings beginning October 14th and will end November 18th.
