

# Repair Program

Did you know that Habitat Susquehanna has a

## Repair Program

to help low income families live independently and keep them safe in their homes?

These repairs include:

**Critical Repairs** - Critical Repairs focus on alleviating health and safety issues. Repairs may include floors, walls, roofs, HVAC, plumbing, electrical, accessible ramps and other accessibility modifications.

**Weatherization** - Weatherization repairs are designed to improve energy efficiency, indoor air quality, and comfort. Repairs include windows, doors, caulking, insulation, and minor HVAC systems.

**A Brush With Kindness** - A Brush with Kindness focuses on exterior improvements which may include painting, minor siding/roofing, trim, landscaping and clean up.

**Call today to see if you qualify!**
