Activities with the LIBRARY

We have been partnering with the Cecil County Library and it has been such a blast! We learned about awesome scholarships and how to check out books across the county. The library has also introduced us to some of the coolest activities. We made our own bouncy balls, tried out Virtual Reality, and learned some coding from playing with Spheros. We look forward to what we're going to learn and do next with the Library!

WHY I LIKE THE GENERATION STATION

I enjoy the safe environment at Generation Station.
-Andrew Webb

I like playing fun games, like spoons. It's such a great time with all my friends.
-Maria Stevens

The food is great. Thanks, Ms. Gail!
