

FEATURING

THE BOOK MOBILE

With

Arne Anderson

By

Abby Dalton

Arne has a bachelor's degree from the University of Maryland.

Arne became a book mobile driver by applying when he saw an offer in the newspaper.

Arne's truck belongs to our public libraries. He has been driving the truck for quite a few years and the kids at Generation Station always get excited when they see his truck pull up.

Arne loves to read but does not own many books since he has access to the library books.

Arne's favorite part of his job is getting to meet new people and to take books to kids all around the county.

Lastly, Arne's favorite author is Nevada Bar.

Update on our move

By
 Paige Miller & Abby Dorsey

Since we have moved to our new location, everything has been going smoothly.

Some of the things we like to do are playing kick-ball in the gym every Monday and Wednesday.

Also, the building is a lot bigger and we have much more space. Some new additions are the game room and the TV room. These rooms allow us to have more rooms to have activities to do during our activity period.

Another thing we like is the large outside space. This is great for activity and free time.

One thing that our staff really loves is the number of new kids who are attending the program.

Our program is offered free of charge.

Supporting our fundraisers helps us to enhance the program we offer.

Rewards Trip

By Chyna Maldonado

On January 12, 2108 The Generation Station went to Westtown Movies in Middletown, Delaware for a rewards trip to see the hilarious movie *Jumanji*. The students that attended the trip saw the movie and enjoyed it and came home with smiles on their faces. I went into detail and asked a student, Abby Dorsey, who attended the trip and she stated that the trip was "Outstanding and hilarious." The students got their choice of either pizza or popcorn. One of the other rewards trip was to *Launch*. The students had a blast jumping around on all of the trampolines. And there will be more trips to come.
