

CHESAPEAKE CITY ECUMENICAL ASSOCIATION (CCEA)

Our Mission: *To serve as a bridge in the service gaps of our community, as they relate to financial emergencies, hunger, education, clothing and medical care.*

Our Vision: *To connect the churches and organizations of Chesapeake City through our Christian responsibility of "caring for our neighbor". This is to be done through a range of services including but not limited to financial aid, a food pantry and youth related programs. To continually seek to improve those services we currently provide and to grow both as an organization and in the ministry field as community needs are identified.*
