Beginning January 1 2012, we will no longer be honoring the submission of any register receipts that are from a date of more than three years prior To the date of the 1% Save-A-Tape submission for donation. It is certainly not our intention to cause any inconvenience to your group yet have had to make this change due to fraudulent activities that have been occurring recently.

The rest of our program will not change and we welcome your submission of food and non-taxable or tobacco purchases through this program.
