

Student testimonies:

*I like the Generation Station because it gives you a chance to make new friends and get along with one another. It also gives you time to do homework and get help if you need it. Also you can stay for twilight after school and the van picks you up instead of parents leaving their job. The adults in charge plan field trips and activities like going to the movies. They are supportive and understanding of things going on in your life.

* I like the Generation Station because I can be with my Boos (friends). I like the food, people and fun.

* The Generation Station means a lot to me because it's a free after school program that provides a safe environment all while letting have tons of fun. And it helps you out with things like homework. People consider the Station as a second home, this being because of the wonderful staff helps you with personal problems. It gives us students a place to have lots and lots of fun.

* I like the Generation Station because I like to hang out with my friends and it helps me with my struggles. The Generation Station helps me get good grades and helps me with my homework. I like the trips we go on, how much fun we have, the staff and the activities we do.

* I love the Generation Station because it's fun and I am with most of my friends. When you are here you feel like you are family and I love coming here !!!

* The Generation Station means family to me. It's a place where we can all come together as a whole. We love one another. I like the Generation Station because we can do homework and have people help us with it. I like the free food, trips and it's also fun here.

* The reason I like the Generation Station is because it helps me focus on my homework and help with hands on things. It's a time where I can spend with my friends. You can also get service hours that are required in school and the help with homework. The activities that we do are fun.

* The Generation Station feels like another home. We're all united together and we have lots of fun. It helps us with grades and communication issues. During free time you get to do a lot of things.
